

PREMIUM COLLECTION

AUSTRALIA'S PREMIUM FLAT PANEL
SECTIONAL GARAGE DOOR

Smoothpanel™

B&D introduces the Smoothpanel, a flat folded sectional door. Its distinctive minimal look and strong sharp lines are currently a favourite of modern architecture, and provide a clean look to any garage door opening.

The superior flat folded design creates a truly flat finish that is both solid and strong. The B&D Smoothpanel™ is just another quality solution from B&D for contemporary house designs that require larger garage openings.

AESTHETICS

B&D Smoothpanel™ is a flat folded steel sectional door. Flat folding creates a truly flat finish.

SMOOTH AND QUIET

The B&D Smoothpanel sectional door provides quiet smooth operation.

Features include:

- Factory fitted, muntins and end styles ensure consistent panel tolerances for trouble free operation.
- Nylon wheels with ball bearings.

EASY OPERATION

Easy to open and close with features including ball bearing wheels with two-piece roll-formed track, allowing the door to run easily and smoothly during opening and closing.

The Smoothpanel also features galvanised steel hinges, reducing stress loading for consistent operation.

WEATHER PROTECTION

The garage today is used to store many different valuable objects, and in some cases is converted into another room, so weather protection is an important feature of any garage door.

The B&D Smoothpanel sectional door features:

- Zinalume®, to stand up to the harsh Australian climate
- Bottom weatherseal which is soft and pliable, helping to stop leaves and rain coming in under the door.

FINISH

The B&D Smoothpanel is available in Zinalume or powder coated to the standard B&D colour range.

DURABILITY

Your B&D Smoothpanel sectional door will continue to operate like new with springs designed to exceed the Aus/NZ Standard for garage doors – 20,000 cycles.

Smoothpanel is made from thick steel, folded to produce a strong rigid panel.

Notes / Information

- Smoothpanel doors in normal residential use, are covered by a 12 month warranty for all components and associated labour, conditional on proper care, as recommended in the door's handbook. Full details of the warranty are available from www.bnd.com.au. 12 month warranty only applies to doors purchased and installed in Australia or New Zealand. Warranty only valid if warranty conditions are met.
- For areas within one kilometre of a corrosive environment eg. salt air or industrial fallout, special care and maintenance are generally required for metal products. Consult B&D or your B&D Accredited Dealer for advice.
- The company reserves the right to make changes or improvements to the products or accessories without notice and without incurring any obligation to make similar changes or improvements to goods previously ordered. Specifications subject to change without notice.
- Prefixed Trademarks are trademarks of B&D Australia Pty Ltd.
- While BlueScope Steel is our preferred supplier, steel products from other sources may also be used. Zinalume® is a registered trademark of BlueScope Steel Limited.
- Details correct at date of publication.
