Roll-A-Door. Neo™

Single garage doors

Revolutionary
B&D®
design

Feature colour
JAPAN CHERRY

Our revolutionary Roll-A-Door® Neo™ (R1N) provides the convenience of a Roller Door with the look of our most popular sectional door. This is an exclusive look for Roll-A-Door® and combines years of research and testing to achieve a unique, winning formula. Roll-A-Door® Neo™ comes standard with Weatherseal with deep cushioning that helps to prevent the entry of water and leaves. Springs are tested to 30,000 open and close cycles. Each Roll-A-Door® Neo™ comes with a B&D® Controll-A-Door® Power Drive® automatic opener.

Effortless opening

All Roll-A-Door® Neo™ doors are complemented by our B&D® Controll-A-Door® Power Drive® RDO-1V4 automatic opener.

Neo™ Profile:

When registered online your Neo™ door is eligible for our 10 Year Total Confidence Warranty (visit www.bnd.com.au for full details)

Roll-A-Door. Deluxe

Single & double garage doors

Feature colour top

(R1D SINGLE GARAGE)
*A surcharge applies to this colour

Feature colour bottom
CLASSIC CREAM™
(R3W DOUBLE GARAGE)

Our best-selling Deluxe single and double doors have a squareline minimal profile for a clean and contemporary look that suits a range of home styles. Using a special 'mini groove' design ensures smooth operation and protects the door's paint finish (available on selected sizes). Our double garage Deluxe model (R3W) has a 0.5mm curtain thickness and comes standard with Weatherseal with deep cushioning that helps to prevent the entry of water and leaves. Springs are tested to 30,000 open and close cycles. Our best-selling single garage door Deluxe (R1D) now has the following optional extras: Lock Kit and D-Handle.

Castellated Drum and Dual Roller

Only B&D's Roll-A-Door® R1D and R1N branded Roller Doors have a unique castellated drum, mini-groove top sheet with curtain separator. In conjunction with our dual roller, these features ensure consistent balance, and reduced chance of paint rub, friction and noise.

Deluxe® Profile:

When coupled with a genuine B&D® Controll-A-Door® opener and registered online your B&D® Roller Door is eligible for our 10 Year Total Confidence Warranty (Standard Roll-A-Door® and Rollmasta® warranties are 7 and 3 years respectively - visit www.bnd.com.au for full details).

Roll-A-Door.

Traditional

Double garage doors

Traditional double garage doors feature a deeper, rounded and more rigid profile. This is particularly suitable for high usage applications and where an extra strong door is required. Our Traditional profile wideline door (R2W) has a 0.5mm thickness steel to add strength to the door, and also includes Weatherseal with deep cushioning that helps to prevent the entry of water and leaves. Springs are tested to 30,000 open and close cycles.

Feature colour
SURFMIST
(R2L Double)

Smooth, quiet operation

Our Nylofelt running strips fitted on both sides of Roll-A-Door® deliver quiet operation day after day, year after year.

Traditional Profile:

When coupled with a genuine B&D® Controll-A-Door® opener and registered online your B&D® Roller Door is eligible for our 10 Year Total Confidence Warranty (Standard Roll-A-Door® and Rollmasta® warranties are 7 and 3 years respectively - visit www.bnd.com.au for full details).

Discover your perfect Roller Door.

Explore.

Which Roller Door is right for you?
Let us help you find the right answer.

Over the next few pages you can learn about and decide on the features for your Roller Door. Select from our range of on-trend colours, discover our automation technology and decide on what upgrades you want for your B&D® Roller Door.

Once you've made your decision you're just one quick step away from being ready to order your beautiful new B&D® door. Just choose the automation options you would like. We recommend B&D® Controll-A-Door® Power Drive® which has the power and the smarts to effortlessly operate your rolling door. When coupled with a genuine B&D® Controll-A-Door® opener and registered online, your B&D® Roll-A-Door® is eligible for our 10 Year Total Confidence Warranty (which of course, is standard with Roll-A-Door Neo!).*

Step 4: Select your automation

Australians have trusted B&D's garage door automation products for decades. Our latest Controll-A-Door® range builds on our rich heritage by combining smooth and reliable operation with a range of features that help protect your family and belongings.

Key Features

- Powerful yet quiet 600N motor
- Long lasting LED automatic courtesy lights
- Soft start and stop to reduce door stress
- 7 Year/20,000 Cycle warranty (up to 10 Years with the Total Confidence Warranty, only if purchased with an eligible B&D door)
- Smart Phone capable (optional upgrade)

Both Controll-A-Door® options include:
2 x Tri-Tran+™ Premium Remote Controls
and Wall Mount Remote Control.

Step 5: Choose your premium upgrades

HIGH WIND ROLL-A-DOOR®

Our High Wind Roll-A-Door® provides added strength, security and protection ensuring your door is held captive in the door track during high wind situations. Suitable for all applications, they are compliant with National Construction Code High Wind Requirements.

WIRELESS SAFETY BEAM

If you have young children or pets, safety beams provide added safety and security. If the beam is broken while the door is closing it will automatically stop and reverse. B&D® always recommend the use of safety on all automatic garage doors.

EMB-A-SEAL™

Emb-A-Seal™ fills the gaps around the door, acting as an effective barrier against dust, sand or leaves entering the garage, creating a cleaner environment. This is particularly important when the garage is used as a living area.

SMART DOOR SOLUTIONS

Turn your Roll-A-Door® into a Smart Door. Smart Door Solutions introduce technology allowing you to remotely monitor and control your garage door whether you are at home or away from home, right from your smart phone*.

*Subject to cellular and WIFI connection and availability. Note - Kit includes Smart Hub & accessories. Phone not included.
17 Year warranty on steel door curtain covers steel cracking and lock seam failure and associated labour. Warranty on surface coatings, locking mechanism and all other components is 12 months. Terms & Conditions apply. See website for details.

b&d Smart Phone. Control Kit

**TECH
tip**

Have you ever left the house in the morning and thought, "Did I remember to close the garage door?". The kit allows you to monitor and control your garage door while you are at work or even on holidays from your compatible smart phone*.

It is available as an optional accessory with the opener.

*Phone not included

Unleash the power of your door with Smart Phone Control

CUSTOMISATION

The B&D® App can be customised to suit your lifestyle. From partial opening modes to restricting door access times, your protection and security is a priority.

ACTIVITY LOG

You can view usage history on the App so you know who has operated your garage door and when.

YOUR SILENT ALARM

The B&D® App features real time notifications alerting you whenever your door is operated, opened for an extended period of time or when your opener is in need of a service.

Warranties

As standard, we provide a 7 year warranty on the steel curtain on a B&D Roll-A-Door®, and a 3 Year warranty on a Rollmasta®. When coupled with a genuine B&D Controll-A-Door® opener and registered online, your Roll-A-Door® or Rollmasta® door is eligible for our 10 Year Total Confidence Warranty*.

Neo™ / Squareline® / Traditional
(When registered online your Neo™ door is eligible for our 10 Year Total Confidence Warranty)

Rollmasta®

Rollmasta® Single

Garage doors

Feature colour
DOVER WHITE

Rollmasta® is the ideal choice if you are looking for a good quality rolling door at a budget price. Rollmasta® doors are strong, secure and attractive and represent tremendous value for money. Includes Weatherseal with deep cushioning. Springs are tested to 15,000 open and close cycles.

Rollmasta® Profile:

When coupled with a genuine B&D® Controll-A-Door® opener and registered online your B&D® Roller Door is eligible for our 10 Year Total Confidence Warranty (Standard Roll-A-Door® and Rollmasta® warranties are 7 and 3 years respectively - visit www.bnd.com.au for full details).

Rollmasta® Double

Garage doors

Feature colour
SHALE GREY

Our budget Rollmasta® door is also available in a double size. The Rollmasta® is still strong and good value for money, and like the single door Rollmasta® includes Weatherseal with deep cushioning. Springs are tested to 15,000 open and close cycles.

Rollmasta® Profile:

When coupled with a genuine B&D® Controll-A-Door® opener and registered online your B&D® Roller Door is eligible for our 10 Year Total Confidence Warranty (Standard Roll-A-Door® and Rollmasta® warranties are 7 and 3 years respectively - visit www.bnd.com.au for full details).
